

CREDIT ANALYST (DESK BASED)

Location:	London/Birmingham
Job Hours:	35hrs
Company:	Euler Hermes UK
Salary:	Depending on experience plus flexi-time scheme, bonus, non contributory pension and additional benefits

The Experts in Credit Management

Euler Hermes UK has been in business since 1918 and is part of the global leader in credit insurance Euler Hermes with presence in over 50 countries and 57,000 clients worldwide. Euler Hermes UK is part of the Euler Hermes Group and the Allianz Group.

We are a leading company in the provision of credit management solutions, a specialised field but one that is critical for the well-being of UK businesses. Credit Insurance secures trade by providing cover against bad debt should a customer become insolvent or default on payment. Our other services include credit opinions and UK and international commercial debt collections.

Summary of Role

A confident, personable and experienced credit analyst is required to support the management of the UK risk portfolio. A key focus of this role is to help ensure that all customers are provided with the most effective credit limit service in terms of turnaround times, communication and quality of decision.

Responsibilities

We are seeking an individual who has financial proficiency with a genuine interest in analysing financial accounts and the economic impact on businesses. You will possess sound business judgment and have had some experience of dealing with clients both face to face and over the telephone. If you would like to move to a demanding yet rewarding role within the UK's leading credit risk insurer then this position could be the one for you.

Requirements & Key Skills:

- Education to degree standard or equivalent or banking/finance/insurance experience with a

relevant professional qualification

- Experience of analysing financial, economic and other information to assess credit risk. It is essential that you have experience of reading and interpreting Profit and Loss, balance sheets and other financial documents.
- Good interpersonal and communication skills
- Proficiency in MS applications.
